

IMPORTANT NOTE:

The form below is **REQUIRED** by the state in order to publish any student images on a district web site. We realize, however, that the language and choices may be confusing.

As you read, please keep in mind that the Jackson School District is interested in publishing your child's **NAME, IMAGE and SCHOOL** on our district web site and/or on cable television segments that are also posted online. This online publication can include images and/or interviews and images.

IF you grant the district permission to use this information in this way, check the **SECOND OPTION**.

**New Jersey Parental/Guardian Consent Form for
INTERNET PUBLICATION OF STUDENT INFORMATION AND IMAGES**

We are sending you this parental consent form to both inform you and to request permission for your child's photo/image and personally identifiable information to be published on the district and/or school web sites.

As you are aware, there are potential dangers associated with the posting of personally identifiable information on a web site since global access to the Internet does not allow us to control who may access such information. These dangers have always existed; however, we as schools do want to celebrate your child and his/her work. The law requires that we ask for your permission to use information about your child.

Pursuant to law, we will not release any personally identifiable information without prior written consent from you as parent or guardian, which is granted through this form. Personally identifiable information includes student names, photo or image, residential addresses, e-mail address, phone numbers and locations and times of class trips. If you, as the parent or guardian, wish to rescind this agreement, you may do so at any time in writing by sending a letter to the principal of your child's school and such rescission will take effect upon receipt by the school.
